

Conway Springs vs. St. Marks, Belle Plaine @Belle Plaine

08/30/18

A Team

School Dress and Uniforms

We will wear our black camp shirts to school on Thursday, with jeans or slacks. The camp shirts will serve as our warm-up shirts for the games (Mark the tag of the shirt with your initials, so they will not get confused with each other). We will change in our locker room and practice until we leave at 3:15. Bring your uniform top and bottoms, along with your volleyball shoes, socks, and knee pads.

Food and Bus

Bring a sack lunch for us to eat when we arrive there. We don't play until the 2nd and 3rd matches of the night (close to 5:30). There may be a concession stand for drinks and snacks. Bring a water bottle for the games.

The bus will leave at 3:15.. When riding the bus on a school trip, it is important to be calm and quiet for the sake of the driver. You are allowed to talk to your friends, but not to stand in the seats, lay in the aisles, or any other actions other that would distract the driver or others. Electronic devices are not allowed to be out on the bus. Cell phones should be put away in your bag, and not to be taken out without permission from a coach. No open food on the bus.

Other Information

I will make a school messenger call when we are leaving Belle Plaine.

There will be times when we will have to wait while the other teams play each other. While we are waiting to warm up for our game, you should be in the bleachers, paying attention to the opponents on the court, and mentally preparing for the upcoming game.

*Parents must check their student out with a coach if they are not riding the bus.

For any questions or concerns your parents may have, they can contact me at 316-303-6092, or email: hurtt@usd356.org
